Canadian Piping Trades  
Local 324  
919 Esquimalt Road,  
Victoria, B.C., V9A 3M7

Att: Jim Noon

We would like to take this opportunity to express our gratitude to yourself, Dale Dhillon and Local 324.

Viking has completed a number of projects on Vancouver Island over the years and have had a good experience and relationship with Local 324. In December of 2013, we increased our presence in the area and have had full and complete cooperation and support from Local 324. We are very happy to be a union contractor on Vancouver Island when we are given the support and guidance you have shown to us.

Thank you for the assistance that has allowed us to grow to a crew of nine men in a relatively short time. We look forward to working together with you in the future.

Yours truly,

Brian Chobotar  
District Manager
